Summary: Brunei, 16 June 2025 - Regional clean energy infrastructure developer, Solarvest Holdings Berhad ("Solarvest" or the "Group"), through its wholly-owned subsidiary, Atlantic Blue Sdn Bhd, has secured Brunei's largest national solar project via a joint venture company, Seri Suria Power (B) Sdn Bhd, in partnership with Serikandi Oilfield Services Sdn Bhd and Khazanah Satu Sdn Bhd.

Does Brunei have a solar panel industry?

There is currently no contribution Explore Brunei solar panel manufacturing landscape through detailed market analysis, production statistics, and industry insights. Comprehensive data on capacity, costs, and growth.

Who owns the solar plant in Brunei?

The solar plant in Brunei is currently operated and maintained by BSP. Agnete Johnsgaard-Lewis, BSP Managing Director and Shell Country Chair in Brunei, shared this information.

How much solar energy does Brunei have?

However, Brunei has only put in 1.2 MW of solar as of now as a demonstration project. It's reasonable to assume that the implementation of renewable energy is still in its infancy. There are, however, particular actions Brunei might take to quicken this process and increase its involvement in sustainable energy in the ASEAN area.

Does Brunei have a solar city?

Brunei also intended to build the Temburong Smart City, which would mostly rely on solar energy and be dubbed the "Green Jewel of Brunei." However, Brunei has only put in 1.2 MW of solar as of now as a demonstration project. It's reasonable to assume that the implementation of renewable energy is still in its infancy.

Can a solar farm be developed in Brunei?

The new solar farms may be developed through public-private partnerships as the ministry seeks to reduce the government's financial burden. Brunei has set a target of generating 100 MW of solar energy by 2025 as part of the government's initiative to slash greenhouse gas emissions by 20 percent over the next 10 years.

Who owns Brunei energy services & trading (best)?

Brunei Energy Services and Trading (BEST) is the national oil company owned by the Brunei government. The company was granted all mineral rights in eight prime onshore and offshore petroleum blocks totaling 20,552 sq. km. PB manages contracts with Shell and Petronas, which are exploring Brunei's onshore and deep-water offshore blocks.
