Who is Capetown solar?

At CapeTown.Solar, we specialize in empowering homeowners across Cape Town and the Western Cape with reliable, sustainable, and cost-effective solar solutions. At CapeTown.Solar, we specialize in empowering businesses throughout Cape Town and the Western Cape with reliable, scalable, and cost-effective commercial solar solutions.

Why should you choose a solar aircon service in Cape Town?

Use clean, renewable energy that reduces your household or business's environmental impact. Solar installations make homes and commercial buildings more attractive to buyers and tenants -- a smart long-term investment. Book your aircon service with Cape Climate today -- the team Cape Town trusts to keep things running right.

Which inverter brands are available in South Africa?

We specialise in most of the popular inverter brands in South Africa, namely, Sunsynk, Deye, Kodak, FoxESS, Fronius, Solar Edge and battery brands such as, Freedom Won, Solar MD, Volta, Dyness and Pylontech. SomeWatt Solar is considered one of the top solar installers in Cape Town with a reputation for excellence.

Can solar power be used in South Africa?

South Africa's sunshine is perfect for solar! PV panels capture sunlight and create electricity. These solar panels generate DC power which an inverter converts to usable AC power for your home. Excess solar power can be sent back to the grid for credits or stored in batteries for nighttime use.

Who is solargreen?

We'll beat any genuine quote! SolarGreen is a full service solar consultancy, installation and PV maintenance firm. We specialising in Solar Water Heating & PhotoVoltaic (PV) across Africa. Our highly skilled teams work closely with customers to achieve cost effective, reliable renewable energy solutions.
