Who makes Sarel & Himel enclosures?

In the 1990's the SAREL (France) and HIMEL (Spain) enclosure companies were acquired by Schneider Electric. The enclosure brands formerly known as SAREL and HIMEL were formally rebranded under the Schneider Electric Universal Enclosures name in 2009. Products are manufactured in the original ISO9001 certified facilities in Spain and France.

Who makes Sarel enclosures in South Africa?

In 1982, Elen Enclosures introduced SAREL enclosures to South Africa. In the 1990's the SAREL (France) and HIMEL (Spain) enclosure companies were acquired by Schneider Electric. The enclosure brands formerly known as SAREL and HIMEL were formally rebranded under the Schneider Electric Universal Enclosures name in 2009.

Does egenrieder import Himel products?

While not importing the entire Himel product range, CED proudly holds exclusive rights to the automation range showcased on its website. Egenrieder acknowledges the complexities of bringing international products into the South African market, highlighting the importance of meeting or exceeding local requirements.

Why is CED launching Himel automation products in 2023?

Richard Egenrieder, General Manager (GM) of CED, expresses enthusiasm about this strategic move, highlighting the challenges faced in 2023 due to shipping delays but emphasising his delight in having Himel automation products now readily available nationwide.

What Himel products does CED sell?

Currently CED's list of Himel products includes soft starters and variable speed drives that range from 0.4kW up to 850kW, smart pump drives, and the solar series of products, as well as the official Himel accessories to enhance all the above products.
