Why are containers so expensive in South Africa?

This is because stock availability of containers varies in each region. Limited stock in a particular region means that the cost of sourcing containers will increase container prices slightly. Unfortunately, container fraud is rampant in South Africa and if you're not careful you could get scammed.

Where can I buy a container in Pretoria?

Shop No 5 E&T Container Market 344 Francis Baard Street, Pretoria, 0002 Tel:012 023 2311 Fax: 086 607 2572 WhatsApp: 078 413 6753 Email:info@graduationoutfitters.co.za

Can you get scammed if you buy a container in South Africa?

Limited stock in a particular region means that the cost of sourcing containers will increase container prices slightly. Unfortunately, container fraud is rampant in South Africa and if you're not careful you could get scammed. Here are some steps to avoid this:

Does Almar offer container conversions in South Africa?

Almar Container Rental and Sales does not implement container conversions in South Africa but can point you in the right direction. If you anticipate any sudden changes in your business where you might no longer need a container, containers for sale may not be the ideal solution, in which case rather look at renting a container.

How do container prices vary in each region?

In the pricing table at the end of the article you'll get a general idea of how container prices vary in each region. This is because stock availability of containers varies in each region. Limited stock in a particular region means that the cost of sourcing containers will increase container prices slightly.

How are transport costs calculated when buying or renting a container?

When buying or renting a container, transport costs must be taken into account. For container rental, transport costs will be associated with delivery to and from the site and for containers for sale it would be for delivery to the site only. At Almar Container Rental and Sales, we outsource container transportation with costs calculated based on:
