What is the Sierra brand?

The SIERRA brand encompasses the full SIERRA Marine product lines, as well as expansive marine brands formerly known as Shields and Moeller. The new SIERRA Brand umbrella will also include the Prime Line brand for ATV/UTV and outdoor power equipment markets, along with additional aftermarket parts and accessories for land-based applications.

Who makes Sierra engine parts?

SIERRA has a 58-year history as a leading global manufacturer of aftermarket engine and drive parts for the marine industry. The SIERRA brand now encompasses the full SIERRA Marine product lines, along with renowned marine brands Shields and Moeller.

Why should you choose Sierra shore power adapters & cords?

Sierra shore power adapters and cords ensure continuous power at docks. Our selection of trolling motor plugs and NMEA 2000 components offer reliable performance and seamless connectivity. Ensure safety with robust circuit breakers & fuse blocks, all designed for the demanding marine environment.

Where can I buy Sierra products?

Across land and sea markets, SIERRA is synonymous with time-proven aftermarket products, distinguished by quality and supported by industry-leading customer service. You can shop SIERRA products at SierraParts.com and at marine retailers throughout the United States.
