What are the best outdoor solar lights?

Determine what you need to be illuminated and where you have space to install outdoor lights to find the best outdoor solar lights for your space. Our top pick for most outdoor spaces is the AloftSun Motion Sensor Solar Landscape Spotlights. During testing, they withstood our durability tests, were easy to use, and were bright enough to read under!

What are outdoor solar lights?

Outdoor solar lights simplify exterior illumination, offering beautiful, functional lighting without the need for wiring. These lights are available in a variety of forms to help improve home safety and security, light up patios and walking paths, or create a cozy glow around your lawn, garden, or pool.

Are aotek solar lights waterproof?

Many outdoor solar light manufacturers claim that their products are waterproof, but Aotek puts their money where their mouth is with an IP65 waterproof rating. This means that the light can handle water jetting at it from all directions and is 100% dustproof, ensuring neither rain, dust, nor snow will be an issue.

Are solar string lights waterproof?

The solar string lights are meant to be durable, with their shatterproof material and Brightech's WeatherTite technology. While no official waterproof rating is given, this technology is designed to help the lights handle 50 mile-per-hour winds along with rain and snow. They're also resistant to temperatures as hot as 122°.

What is the brightest solar floodlight?

The Ring solar floodlight is a versatile outdoor solar light that provides reliable and bright illumination as well as optional smart integration. This is the only light we tested that has a backup battery, and at 1200 lumens, it's also the brightest light we tested.

Are outdoor solar lights a good idea?

By carefully mapping out your space, outdoor solar lights can make your yard or garden feel as comfortable as your indoor living areas. When surveying your exterior's square-footage, note any pathways that may benefit from better lighting. "Solar lights for lining walkways or driveways are fabulous for design and utility," Agardy says.
